Who Should take the ACT??

- **Juniors**, all juniors interested in attending any kind of post secondary schooling.
- **Seniors**, should test early in the year, preferably before scholarship deadlines.
- Any other student wanting to see what they need to work on.

Rachel Thexton, School Counselor

Rachel & Paige Thexton

My name is Rachel Thexton and I am so excited to be the new School Counselor for La Crosse Middle/High School. This is my first counseling position after spending the last 7 years as a middle school math teacher. I have a degree in Business Management from KSU, and received my teaching licensure from FHSU. I am currently completing my internship and practicum in the school counseling program at FHSU and hope to graduate in the spring. My family lives in Great Bend where my husband Khrist is an administrator with the school district. We have two children, Paige is eight and is a 3rd grader, Kade is three and goes to BCCC's daycare program. We are expecting a new daughter in late October.

Before entering the teaching profession I spent three and a half years at Seward County Community College first as an admissions rep then as the director of Financial Aid. I feel the time spent in these positions as well as my time teaching has given me valuable insight into the transition from high school to college and I hope to be a resource for students and parents.

In addition to career counseling I will be available to visit with individual students about any issues they need to discuss. I would also welcome input from parents if they have concerns regarding their children.

In addition to the newsletters, information regarding Scholarships, Financial Aid, ACT and other topics can be found by visiting my counselor page at www.usd395.org.
