Once again, Wet Walnut Creek Watershed is offering a $500.00 Scholarship to a high school senior within the watershed district. The scholarship is being awarded to promote agriculture, soil and water conservation and water quality.

The student should be planning a career in an agriculture-related field. This is a broad-based field ranging from ag business, water and soil conservation, water quality, agronomy, to many specialized fields.

The recipient of the Wet Walnut Creek Watershed Scholarship will also be considered for the $500.00 scholarship offered by the State Association of Kansas Watersheds.

Seniors attending LaCrosse, Otis-Bison, Healy, Ness City, Dighton and Western Plains High Schools are eligible for scholarships.

A letter of recommendation from the school counselor is very beneficial.
