Board of Education

The Board of Education consists of seven members. Six of the seven members are elected from their wards, and one member is elected at large. Elections are held in odd-numbered years and members serve four-year, staggered terms. The Board sets policies for operating the schools and hires staff to carry out their policies. In addition, the Board gives approval to such matters as personnel contracts, major purchases, annual budgets, and curriculum. Furthermore, the Board acts on recommendations from the Superintendent of schools, the chief executive officer of the district.

Are meetings public?

YES. The Board welcomes you to its meetings and invites you to express your views on school issues at monthly business meetings. An allotted time of 5 minutes is allowed per patron or delegation. All action is taken at public meetings and reported by the Rush County News. Minutes of board meetings are available for inspection at the Board of Education Office, 400 Washington St., La Crosse, KS. There are occasions when a “Special Meeting” will be called. At these ‘special meetings’, only the pre-arranged items may be discussed.

How can a person get an item placed on the agenda?

A person wishing to place an item on the agenda may make his/her request to the superintendent no later than Friday preceding each board meeting.

The request should be accompanied by a statement of action requested of the board and pertinent background information leading to the request.
